This story will be edited with clips from a LIVE performance.

EXT. STREET - DAY

A young man MIKE is walking down the street after finishing work/college and feels someone looking at him over his shoulder.

He looks across the road and STIGG, NEV and SARAH are standing by a lamp post smoking and chatting. Stigg looks over at him as Mike walks up his path to his house.

He closes the door and goes upstairs to his bedroom and looks out his window.

He can still see the BULLIES across the road and as he looks at them he puts on his headphones and they slowly disappear. He smiles.

EXT. BUS STOP - DAY

Mike is waiting at the bus stop checking the times on his phone when he gets pushed and falls to the ground on his back. When he looks up the Bullies are peering down at him saying stuff and he puts on his headphones and they slowly disappear. He smiles.

EXT. TUNNEL - DAY

A long tunnel seems to go for ever and Mike enters it with some trepidation. He stares into the distance and after seeing it's all clear starts walking. He gets about half way into the tunnel and Sarah walks in the other end. She looks like she means business. They approach each other and Mike stops, almost expecting something to happen. Sarah puts her hand into her pocket and brings out a glove. Mike looks surprised and goes to grab it. She jokingly pulls her hand away and smirks then gives Mike his glove. Mike smiles back and walks off turning round to see if Sarah turns round but she doesn't. He goes to put on his headphones but doesn't and he then decides to put on his gloves.

INT. BUS - DAY

Mike is sitting on the top deck at the back of the bus

looking out the window. The bullies walk up the stairs and then towards Mike who then tries to hide under his hat. The bullies come and sit down and hit his hat off and then Stigg puts his arm around him and shakes him whilst Sarah blows some bubbles with her bubblegum. Mike struggles to get by them and gets off the bus as they throw an empty drinks carton at him. Mike gets off and then continues walking in the direction of the bus as the bullies are waving at him out the window. Mike puts on his headphones.

INT. PUB - DAY

Mike is in the pub having a drink and minding his own business and then goes to the loo. He is having a piss in one of the urinals when two of the bulles come in joking around and push him into the urinal. He gets piss down his trousers and just stands there. STIGG gets his phone out and takes a photo and start laughing. Mike puts his headphones on they disappear and so does the piss stain down his trousers. Mike smiles washes his hands and goes back to his drink on the table.

EXT. DAY - ALLEYWAY

Mike is coming up to an alleyway when one of the Stigg and Sarah come out of the alleyway and they collide. Stigg is drinking a can of beer/coke and promptly starts pouring it over Mikes head. Stigg and Sarah start laughing as Mike has liquid dripping down his face. He then puts on his headphones and they disapear.

INT. DAY - VENUE

Mike turns up to a gig where The Swagger are playing and the place is rammed with people. He make his way to the front of the crowd and start jumping around and enjoying himself. The bullies come over and start pushing him. LEE from The Swagger stops the gig and asks Mike to come on stage and ask him what's going on. Mike whispers in his ear something and Lee points at the bullies and tells them to piss off and they are dragged off by the bouncers. Lee starts the song up again and Mike is jumping around on stage having the time of his life.

EXT. VENUE - NIGHT

After the gig the band and Mike are sitting around having a

drink and having a laugh. Lee gives Mike a signed copy of their album and Mike is over the moon. Peering through the window are the bullies as it rains and Mike then clicks his fingers at them and they disappear. Lee just smiles at the camera and winks... i-)
